

**Pictures of the Property. it's by no means salubrious camping. No toilets and digging one may be difficult. The property is accessed via dirt roads. Anything more than 10ml of rain will probably lead to the cancellation of the trip.**

**The access road from the Forestry Rd gate to the dam**

**The dam prior to recent rain.**

**The Scarp, full of hiding places for small wildlife**

**Trees and branches downed in the November 2025 storm**

**Camping spaces on the Forestry Road sites**

**Camping spaces on the McKees Road “back block**

**Regrowth below the Scarp on the McKees Road “back block”**
